HERITAGE OTTAWA  
GENERAL MEETING

MUSEUM OF MAN  
MCLEOD ST. & ELGIN

## A PAT ON THE BACK

The newsletter article on the Ottawa South Fire Hall stimulated three proposals for its use and a letter of support from Mayor Lorry Greenberg. The final result is a home for the Ottawa South Community Association and the preservation of a neighbourhood landmark of architectural and sentimental appeal.

## DISPLAYS

Our public displays at City Hall and the Nepean Spotsplex were well attended. Over 70,000 men, women, dogs and cats were exposed to Ottawa's Heritage. Thank you to all who contributed their work, time and energy and to Heritage Canada for its moral and financial support.

## EDUCATION COMMITTEE

Elizabeth Mackenzie is off and running with a questionnaire to assess the needs of the Ottawa community (educational as well as other facets).

## CENTRETOWN NEWS

features a special article on heritage which is well worth reading

## QUEBEC FURNITURE...

on display at the Museum of Man
